WHAT IS SWC?

The annual Scouters' Winter Campout (SWC) is a January campout for adults (ages 18+) only. Participants become the Scout for the weekend, functioning as part of a patrol from their Unit, as they earn beads for different games and activities.

The weekend is filled with fun, fellowship, and activities that leaders can take back to their Units.

GAMES

"Scouting is a game with a purpose."

Patrols rotate through unique and challenging games as they compete against each other and put their scouting skills to the test.

Write-ups of all games are available after the weekend so you may share the games with your unit.

THEME

Activities are centered around a unique theme, designed to inspire creativity (similar to Camporees your unit may participate in).

Each Patrol: 1) selects a name, 2) designs a patrol flag, 3) plans a costume, and 4) designs a campsite gate. Let your imaginations run wild!

The theme for 2020 SWC #52 is
