JAN 9-11, 2026

WOODRUFF SCOUT CAMP
BLAIRSVILLE, GA

SWC is a hands-on training event built exclusively for Scout Leaders — designed to spark fresh ideas, polish your winter camping skills, and bring new energy to your programs.

WHAT IS S.W.C.?

Scouter's Winter Campout (SWC) is an annual leadership training and fellowship event for adult Scout leaders. It's **part adult camporee, part leadership lab, and part just-for-fun weekend**. Expect a mix of games, team challenges, patrol competitions, campfire entertainment, and plenty of Scouting camaraderie.

THE PATROL EXPERIENCE

S.W.C. is all about the Patrol Method:

- Patrols of 6–10 members work together throughout the weekend.
- Each patrol creates its own **theme, costumes, cheer, flag, and totems**.
- Patrols compete in challenges and games for awards

WEEKEND HIGHLIGHTS

- **Patrol Games:** test your teamwork, problem-solving, and Scout skills. Receive fresh game ideas to bring back to your unit! (Game instructions available online.)
- **Saturday Dinner & Table Decorating:** Patrols bring their meals to the Main Pavilion and build creative table displays.
- **Campfire & Night Hike:** Skits, songs, and cheers bring the whole camp together for a night of laughter, awards, and camaraderie.
- **Honor & Spirit Patrol Awards:** The weekend culminates with recognizing patrols who go above and beyond.
